Rugby Revive Churches
Prisons Week Service
6.30pm Sunday 8 October 2017
Bilton Evangelical Church, Rugby

Guest Speaker: Paul Cowley MBE

Paul was ordained into the Church of England in 2002. In 2005 he founded the charity 'Caring for Ex-Offenders' (CFEO), which helps local Churches to support ex-offenders on release from prison, helping to equip them to reintegrate back into society. Paul was awarded the MBE in 2015 from Her Majesty the Queen for 'Services to Ex-Offenders'. He has now been appointed Bishops' Advisor for Prisons and Penal affairs, and is further developing his work in London.

You are invited to a service at the start of Prisons Week 2017. The evening will include insights into some aspects of Christian Ministry in prisons. Please come and be informed to pray more effectively

The service will be led by Rev David Spademan, Managing Chaplain at HMP Onley and Roy Crowne from Hope Together and Prison Hope.
